NARBERTH, PA., SATURDAY, AUGUST 15, 1925

PRICE THREE CENTS

ATTENDANCE FAIR DESPITE INROADS

So Declares Playground Director in his Report

GLASS AND RAIN ANNOY

In spite of inroads made upon the activities of the Narberth community playground by summer distractions and in spite of the unfavorable condition of the grounds, the average daily attendance at the community playground has been encouraging. So states Director Karl E. Oerlein in a report which he has submitted to the school board.

The average daily attendance at the playground which ends its activities for the season next week, has been 115. There are 275 names on the rolls. Mr. Oerlein declares in his report, but attendance has been irregular and miscellaneous because of camping trips taken by the Boy Scouts, summer school and the weather. A feature of annoyance to the playground conductors was the condition of the field. The ground, Mr. Oerlein declares, was full of broken glass and rain, when it fell, was slow in drying from the field.

The playground is now being remodeled, and the director is looking forward to a model and much improved field next year.

That the playground appealed to all ages is attested by the fact that youngsters from two years of age to twenty were among those on the rolls at the playground.

Said Director Oerlein in his report:

With the close of the fifth week, on July 25, the playground is now in full swing. Several improvements, with respect to equipment and arrangement, have been made over that of last year. Rubber quoits, hurl ball and track and field necessities have been provided. Permanent volley ball posts have been erected for basketball. A jump pit, capable of being used for pole vault, high jump and broad jump with a much better running approach has been built at the upper end of the field.

All play courts as tennis, volley ball and basketball have been arranged so as not to interfere with the outfielders playing on the large baseball diamond. The only serious trouble of the field itself has been the large amount of broken glass scattered all around the grass and the slow drying of the field after a rain, due to poor drainage.

Due to the fact that the attendance is very irregular and miscellaneous rigid daily programs of activities are not advisable. In the morning, such games as volley ball, basketball with variation, and tennis are largely played, with occasional track and field work. In the afternoon a well organized baseball game is played. Friday afternoon is assigned to track and field work with boys competing in pentathlon and decathlon, and girls competing in single events.

Smaller children are under Miss Evers' care and they find enjoyment at various appropriate ring games, ball games and quoits. The Junior High and High School girls play soccer as well as volley ball.

The attendance has been kept as accurate as is possible under the circumstances. Two hundred and seventy-five names are now on our

CANDIDATES' MEETINGS

Will Be Held by Women Voters Before the Primaries.

In accordance with its aim to promote an interested, intelligent electorate, the League of Women Voters is formulating plans to hold candidates' meetings in Lower Merion, at which the candidates and taxpayers will be given an opportunity to become acquainted. These meetings will be held in several places in the township, early in September, prior to the primary election.

The league is also working to bring out a large vote at this election, and local organizations will be asked for their co-operation.

On October 29 the Montgomery County League will hold its annual convention at Norristown.

"No Announcement Now," Says Stretch to Rumor He Is for Hess

According to well-defined rumors emanating from sources near to him, James A. Stretch, Commissioner from the General Wayne district and one of the many candidates for the \$20,000 Lower Merion township plum, is planning to withdraw from the race in favor of Peter C. Hess, the harmony candidate of the Lower Merion organization. His announcement, reports said, would be made some time this week.

Commissioner Stretch, however, declined to verify the report when called yesterday.

"I have no definite announcement to make now," he said. Further than that he refused to be quoted.

Candidate Hess, to whom the rumors declare Stretch would throw his support, also refused to affirm the report. "It's news to me," was his comment.

In spite of the fact that he would not comment on the situation, it is known that Commissioner Stretch discussed the possibility of his withdrawing from the race in a conference with political lieutenants and friends held this week. Whether a decision was made to do so is yet to be seen.

Withdrawal rumors were rife during the week. They were the rage rather than the exception. Statement was made that Treasurer Joseph J. Skelton, Jr., of Bala, who is seeking re-election, was also planning to get out of the fight. These were denied by Skelton in an interview Thursday. "I'm still in the race," he declared.

The withdrawal rumors began to make their appearance espe-

LANTWYN LANERS TAKE A TRIP ON THE DELAWARE

Discuss Planned Improvements at Monthly Meeting.

On August 3, the residents of Lantwyn lane, along with several hundred officials and employees of the Pennsylvania Railroad Company, were the guests of the S. W. Sargent Company on a moonlight ride down the Delaware River on their new boat, the William Penn.

The boat left Dock No. 3 at 8 P. M. and returned about 11:30. Refreshments were served and an excellent orchestra supplied the music for the dancing.

The regular monthly meeting of the Association was held at President Kennedy's house on the evening of August 3, and was well attended.

The Committee on Shrubbery, which is headed by Mr. L. Fielding Howe, General Superintendent of Construction for S. W. Sargent Company, who also resides on Lantwyn lane, reported that it was preparing a lay out of the evergreen and flowering shrubs to make the lane more beautiful. The color scheme will change as the different shrubs grow and everything will be uniform.

NOW QUINCY LEE, HE KNEW IT IN MAY

Many Narberth now feel certain that Connie's Clouting Clan, otherwise known as the Athletics, will win the pennant in the American League baseball race this year, but they have nothing on Quincy Lee Yowell.

Quincy Lee, who is better known to the followers of Narberth's Main Line League baseball nine as Eppa, knew it long ago. Eppa, who is exceedingly diminutive for his age, is one of Manager Bill Crowell's most dependable fence busters, and when he cast his experienced eye over the American League contestants one day early in the spring, after a workout in the outfield, he decided "our Ath-a-letics" were going to win. Forthwith he sent in an application to Connie Mack in May for World Series tickets.

To prove his claim to being the first "A's" fan to request series tickets Eppa shows a letter from Connie Mack written in Boston on June 2.

"Am returning check," Connie's note reads. "In the advent that our ball club wins the American League championship a notice will be sent out regarding the purchase of tickets, and checks should be sent to the American League Baseball Club in Philadelphia."

"Thank you for your confidence in our team," the Athletics' boss concludes.

cially after a meeting of the Republican Association of Lower Merion which was held Monday night at the General Wayne Inn, near Narberth. This organization which is made up of Republican committeemen and other stalwarts of the township organization and which is headed by William A. L. Barker, president of the Lower Merion Commission, let it be known that "the organization will stand for no fight on the treasurership." Harmony and absolute harmony it was intimated was expected from all officeholders and Republicans who wished to continue to play with the township organization. As a result of this dictum all organized factions of the party in the township were represented at the Monday meeting.

Last week backers of Commissioner Hess announced that they would attempt to capture the association at its meeting and secure an endorsement of their candidate. Hess appeared at the meeting and spoke, but no endorsement was given nor was an attempt made to get one.

The explanation given for this was that the stalwarts thought it would be better politics to wait until the aspirants for the treasurership had filed their petitions for the office and been given a chance to withdraw. Then, it was declared, the association could see just who was in the fight and could give an endorsement that would carry greater weight and give less offense. It was argued that if any of the candidates could be persuaded to withdraw of their own volition they would resent it

VAUGHN PLANNED FIRST LIGHT UNIT ON PIKE

Ardmore Electrician Developed Light for Shelter Box.

The majority of the lights which control traffic on Lancaster avenue, in Ardmore and Bryn Mawr, are being made by John A. Miller, of Narberth, but the design for the lights and the method of control was developed by C. H. Vaughn, Ardmore electrician.

"The first light was a two-colored unit made from plans I prepared," said Mr. Vaughn in outlining the development of the traffic lights along the Lincoln Highway.

"The first light was intended for the top of the officers' shelter box that stood in the middle of the pike."

"The scheme was submitted to Chief James I. Donaghy, of the Lower Merion police, who approved it and gave orders for the sample light to be installed. This was done but on account of the State Highway's Department ruling prohibiting shelter boxes in the middle of the pike, the signal was suspended on a guy wire controlled from the sidewalk."

"When the lights were extended, a more complete system was designed for the lights erected in Bryn Mawr. A warning or amber signal was added. This system was also controlled from the sidewalk until the time switch or automatic control was adopted."

"The first lantern was made in Philadelphia from plans I prepared. It was used as a pattern for the other units."

"The original plans called for a better ventilated and weather-proof unit, but it was found that this increased the cost of production. The use of a focusing device, which would have added greater efficiency to daylight control, was also planned but not adopted."

Before going to Ardmore Mr. Vaughn was in the electrical signal laboratory of the Pennsylvania Railroad. Experiences gained there he used in developing the traffic control. Credit is given him and Chief Donaghy for the traffic light system which is now being adopted by other townships.

Sold for \$19,500.

J. Howard Mecke, Jr., has sold to Henry R. Frorer, of King of Prussia, Pa., store and office property adjoining the Northeast corner of Lancaster pike and Roberts road, Bryn Mawr, Pa., for a sum which is reported to be \$19,500.

PLAN TO ATTEND ERIE CONVENTION

Main Line Legion Men Want Miller Elected Vice Commander

HELD CAUCUS THURSDAY

The annual convention of the American Legion of Pennsylvania will be held at Erie next Thursday, Friday and Saturday. The Bullock-Sanderson Post of Ardmore will be represented by delegates Isaac Boyd and G. I. Bennett. Their alternates are Joseph Kaldenbacher and George Matthews.

The John Winthrop Post of Bryn Mawr will send Joseph G. Gile as a delegate and James Cohen as alternate. They will be accompanied by Richard H. Fogarty, Jr., Joseph H. Cairns, Ferd J. Talone and Stanley F. Hughes. The delegates from the Thomas D. Vandever Post of Bala-Cynwyd and the Narberth and Merion Posts have not been announced.

The Bryn Mawr boys at the suggestion of the assistant district deputy will travel to Erie via the Pennsylvania Railroad, having engaged a drawing room for next Monday evening.

The Bryn Mawr and Ardmore boys are going to work for the election of Commander Jacob Miller, of the Harboro Post, as vice commander of the Eastern district.

A caucus of American Legion representatives from the various Posts in Montgomery and Bucks counties, known as the Ninth Pennsylvania district, met in the Benjamin Franklin Hotel, Philadelphia, on last Thursday evening.

There were upwards of 60 members present. District Commander Jacob Miller presided, assisted by Ferd Talone, of Rosemont. The Ardmore Post was represented by Commander William T. Waren, Isaac Bennett and Joseph Kaldenbacher. The Posts at Narberth, Merion and Bala-Cynwyd were unrepresented.

The caucus was unanimous in endorsing Benjamin Howarth, of Willow Grove, for the position of district commander to succeed Jacob

CONTINUED ON THE THIRD PAGE

WILL OPEN ON 8th

Registration in Narberth Schools on September 1, 2 and 3.

The borough schools will reopen on September 8. Children who are to enter school for the first time should be vaccinated early enough to ensure presentation of the vaccination certificate at the time of entrance. First grade pupils should enter school on the opening day, if possible, as delayed entrance often causes serious retardation.

The school office will be open on September 1, 2 and 3 from 9 to 12 o'clock for registration of first grade pupils and all others who have not heretofore attended the Narberth schools. Pupils should bring vaccination certificates when they register.

Pupils now resident in Narberth, not graduates of Narberth Junior High School, but who intend to enter Lower Merion Senior High School in September, should present their certificates of promotion and records of work at the Narberth School Office, not later than September 3. The school office will be open for registration on September 1, 2 and 3 from 9 to 12 o'clock.

Crime in County Declines, Figures in Norristown Clerk's Office Show

Only Half as Many Cases Listed This Year for Court and Jury as There Were Last Year

Crime has fallen off 100 per cent. in Montgomery county.

Records in the office of the Clerk of Courts, at Norristown, are offered to substantiate this statement.

A year ago there had been 62 criminal transcripts returned to Court by justices of the peace and burgesses of the county.

Today the number of transcripts, that have been returned is 34.

However, according to Clerk Johnson, judging by past experience and records, there will be an abundance of work for the jurors, judges and lawyers and Court

BOLD BAD BURGLAR "BORROWS" "BULL'S" BUS

A bold, bad burglar tried a new one on the township police last week. He "borrowed" one of the new bandit chasers of the Lower Merion police to make his get-away when his prowlings were interrupted in Narberth.

Early Sunday Lieutenant Mullin took the usual tour of inspection around Narberth. At Montgomery and Haverford avenues he noticed a prowler on a lawn. Leaving the engine running, Mullin got out to investigate.

He heard the prowler a few yards ahead of him, began a roundabout pursuit and finally saw his intended quarry jump into the new machine and speed off.

The car was found abandoned in West Philadelphia by city police Tuesday. The prowler has not yet been caught, but Lower Merion police say they have a clue and are "hot on the trail."

CROWELL'S COHORTS WIN THREE AND LOSE ONE

Bow to Newton Coal Nine, but Vanquish Others.

Narberth took all the laugh out of the Main Line Tigers here Tuesday night when it sent them home on the short end of a 5-3 score in a well-played game.

Milton, the dusky pitcher for the Tigers, held our boys to six well scattered singles. Humphries, Crowell's crack third baseman, got three of the six. Yowell, Davis and Keyes got one each.

Yowell, who just returned from up the State, looked good in left field. Milton also accepted five chances without a miss.

Masters was on the mound for Bill Crowell and he held the Tigers to eight scattered singles. Everything went well for Masters except in the fifth inning when he was tagged for four singles and hit H. White. This accounted for three runs.

Masters had a good evening in the field. He accepted six chances

CONTINUED ON THE FOURTH PAGE

BIG CONTEST

Will Finish Season at Community Playground.

The close of the Narberth Community Playground next week will be marked by a gigantic contest, which will extend the entire week. All children attending have been divided into two teams, Maroon and Gray.

These teams will compete in all kinds of contests for the entire week, and points will be awarded in each sport.

The following contests are scheduled:

Three-game series of baseball. Winner, 5 points; loser, 3 per game. Three series of three games of volleyball. Three points winner, 1 point loser. Foul goal shooting contest: First place, 5; second, 3; third 1. Quoits pitching, 2 points for winner. Track and field meet, consisting of 75-yard dash, 440-yard run, running broad jump, running high jump, shot-put, 8 lbs., pole vault, haul ball, running hop, step and jump.

First place counts 5, second place counts 3, and third place counts one for each event.

"Next week will be the last and every one should be on hand to make it a whirlwind close," says Director Karl K. Oerlein. "If you can't compete, come out and see whether the Maroon or Gray teams win."

WILLOWS HOLD UP PAVING OF STREET

Borough Wants Them Felled, as They Block Conway Avenue Sewers

GRANT Y. M. C. A. PETITION

Several important matters came up for consideration at the regular meeting of the Narberth Borough Council last Monday evening. President W. R. D. Hall and Councilmen Henderson and Daniel Leitch were absent. The quorum which was present chose Councilman Walton M. Wentz to serve as temporary president.

Robert J. Edgar reported for the Shade Tree Commission in reference to the willow trees on Conway avenue. He said that practically all of these trees are on private property and that the commission recommended the removal of all of them. If they were on public property, the commission would order their removal. He said that if the willows were removed, plane trees which are also planted there, would soon spread out and fill this space.

In connection with the discussion of these willow trees Mr. Wentz explained that their roots grow into and block up the Conway avenue sewers and that it is going to be necessary to clean out the sewer and lay new pipe on Conway avenue before permanent paving can be installed on that street. It has been ascertained that it would cost \$4700 to lay iron sewer pipe along that street. The willow roots cannot penetrate iron pipe. It would also cost \$2100 to provide the house connections in iron pipe. In his opinion, it would be very unwise to go ahead and pave Conway avenue unless those trees were removed.

Burgess Carl B. Metzger, who was present, suggested that in view of the large and frequent expense which these trees caused both the borough and the property owners, it would be desirable for the residents on Conway avenue to meet the Highway Committee in council chamber next Monday evening and see if a plan of relief could be worked out. "We shouldn't lay a foot of pavement on Conway avenue until these trees are removed," said the Burgess. It was decided that notices inviting the Conway avenue residents to meet the Highway Committee next Monday evening should be sent out.

Mr. Edgar also reported that the Shade Tree Commission had made arrangements to trim all of the trees within 10 feet of the curb lines to a height of 14 feet over the street and 11 feet over the sidewalk. This work will be done within the next month. He asked that a borough truck be assigned to cart away the branches and the Street Commissioner was instructed to provide a truck for that purpose.

T. Noel Butler presented a petition from the Y. M. C. A. trustees requesting permission to use the northeast corner of the playground as a site for the proposed Community building. A written statement and blue-print plans accompanied the petition. The statement indicated that the building is to be under the joint supervision of the borough, the recreation board and the Y. M. C. A. trustees; that it is to be paid for entirely by the Y. M. C. A. trustees; that the ownership is to revert to the borough when the building is completed; that it is to be maintained by the borough and the school board; that supervision of the building shall be under the supervision of the recreation board with the provision that the central section shall be given to the use of the Narberth Community Library Association indefinitely or as long as that association shall continue to provide library service to the community; and that the west section shall be given to the Narberth Girl Scouts with similar restrictions.

The burgess asked Mr. Butler if the building provided anything for the ball players and Mr. Butler assured him that adequate locker arrangements would be available. In reply to another question, Mr. Butler said that it was the plan of the trustees to start work just as soon as they had received the assurance of council and the recreation board that it was all right and that the

"NO ANNOUNCEMENT NOW,"
SAYS STRETCH TO RUMOR

CONTINUED FROM THE FIRST PAGE

less than if forced out of the field by an open endorsement of a rival. Petitions must be filed by Tuesday, August 18. Three days are then allowed for any candidate to withdraw. After this period of grace has elapsed, in fact, on Monday, August 24, the Republican Association will hold another meeting at the General Wayne and at that time it will make an open endorsement.

Backers of Pete Hess claim that that endorsement will be given to him and their arguments seem unrefutable. Every one of the Republican committeemen from the various districts of the township have announced their support of Hess with the exception of Stretch, of General Wayne, and Skelton, of Cynwyd, who are candidates, and George Gane, of Bryn Mawr, and Horace W. Smedley, of Ardmore.

The attitude on the race of Gane, a former township treasurer, is still unknown, but Smedley, a former county controller, is said to be leaning toward Hess. He is now away and when he returns he is expected to confer with the various factions involved in the fight and then make his announcement.

Hess boosters are confident of both his nomination and his election as treasurer. "There is still a little argument in the three Ardmore districts," said Colonel Erskine Bains, chairman of the Bala-Cynwyd Republican Committee which is working hard for Hess, "but the upper end of the township is solid for Commissioner Hess and Merion has also declared for him."

In the meantime during the week another candidate threw his hat into the ring. He is Isaac Boyd, of the West Ardmore district, who declares that he has 600 friends throughout the township who have already promised to vote and work for him.

Mr. Boyd's entrance made five in all in the ring for the treasurer'ship. In addition to Hess, Stretch and Skelton, Harry H. Francis, of South Ardmore, is also in the field. He announced last week that he was a candidate to the finish and organization leaders expect him to stay in the fight as he has promised.

At the meeting of the Republican Association Monday which was presided over by W. A. L. Barker, the attention of the fifty odd members who attended was directed to the minor offices to be filled at the coming election. The politicians were asked to see that petitions were circulated for school directors, judges of elections, registry assessors and inspectors.

Two school directors, William L. Austin, of Rosemont, president of the Board of Education, and Thomas Yocom, of Cynwyd, go out of office this year. Both are regarded highly by organization leaders for the work that they have done on the school board and both it is expected will be re-elected without any opposition whatsoever. Petitions for Mr. Yocom made their appearance in Cynwyd Tuesday, the day after the meeting.

Frank Kromer, Cynwyd taximan, who is seeking the Magistrateship which is being vacated by Harvey C. Irwin in Cynwyd, was spoken of highly by the stalwarts at their session. He will be given organization support against Wayne Babb, Cynwyd fire chief, who is also out for the office.

The Cynwyd justice of the peace is the only one in the entire township who is to be elected this year.

WILLOWS HOLD UP
PAYING OF STREET

CONTINUED FROM THE FIRST PAGE

conditions stipulated by the Library Association could be met.

Asked for his opinion on the matter, Senator Fletcher W. Stites, the borough solicitor, said that it is legal for the borough to accept buildings on a playground, if they are intended for public uses, if they are paid for in full and if the borough is protected against any liens on the building. There was a little discussion of the cost of maintenance and how it would be shared between the borough and the school board. Mr. A. Perry Redifer said that the school board would extend the duties of its janitors to take care of the Community building. The burgess remarked that the maintenance must be paid out of public money and that whether it came from the school board or the borough did not make much difference because it was all coming out of the pockets of the same taxpayers. "If the school board doesn't take care of it, the borough must," said he. Mr. Butler added the information at this point that the Y. M. C. A. trustees have already paid out \$8500 to grade the playground. Later in the meeting a resolution was passed granting the petition of the Y. M. C. A. trustees to use part of the playground for their building.

An opinion was read from the solicitor indicating that whereas the north end of Homewood avenue was included in an ordinance which was passed in 1896, the total failure to lay it out as a street during the ensuing 21 years outlawed the effectiveness of the ordinance. The title to this land now resides with Robert J. Nash, who has paid taxes on it. The borough cannot claim the right to lay this out as a street without condemnation proceedings and reimbursement to Mr. Nash. Mr. Stites said that this was the first time in his 20 years' experience in Narberth that a property owner had objected to laying out a street development through his property, but that Mr. Nash's objection was entirely legal. William S. Thompson and John R. Hall were present to represent Homewood avenue residents. After the solicitor's opinion had been read, they indicated that it would be the intention of their neighborhood to petition council immediately to extend Homewood avenue to Wynnedale avenue by condemnation proceedings.

The attitude on the race of Gane, a former township treasurer, is still unknown, but Smedley, a former county controller, is said to be leaning toward Hess. He is now away and when he returns he is expected to confer with the various factions involved in the fight and then make his announcement.

EAGLE-EYED COP SPOTS
YOUTH ACCUSED OF BREAKSKeen Observation and Memory
Lands Man for Officer McCarthy.

James McCarthy, one of Lower Merion's "finest," has keen observation and a good memory. He proved it Tuesday when he picked up a youth who was wanted for a series of petty robberies in Ardmore.

Early Tuesday evening while patrolling his beat near Lancaster and Wyoming avenues in Ardmore, Policeman McCarthy encountered a youth who seemed strangely familiar to him. In response to questions addressed to him the boy said he was a stranger in town.

"Were you in Ardmore last Friday night?" asked Officer McCarthy.

"No," said the "stranger."
"Oh! yes you were. You are the fellow who asked about 11 P. M. Friday what time the last Pennsylvania Railroad train left for Philadelphia and was told 12.54, and then you started west on Lancaster avenue and robbed two stores, taking guns, razors and other things."

"You're mistaken."
"Am I? Well, I am going to search you."

McCarthy did and found an automatic and a knife on his prisoner. He forthwith arrested the youth.

The prisoner was given a hearing on Wednesday morning before Magistrate Arthur. He gave his name as Edward Woods, 16, of California. He was held for Court.

The police think he gave a wrong residence and that he comes from New York.

The following real estate transfers from Lower Merion and Narberth have been registered at Norristown.

M. Glen Korkpatrick to Minnie K. Maples, lot and buildings, Narberth, \$1.

Mabelle E. Bostwick to Anthony C. Missimer, lot and building, Ardmore, \$1.

ATTENDANCE FAIR
DESPITE INROADS

CONTINUED FROM THE FIRST PAGE

roll, ages from 2 to 20 years. The daily average attendance is approximately 115. Several conditions have cut into our attendance; summer school work; Boy and Girl Scouts away several weeks camping, whose names appear on our roll, and inclement weather.

Older folks are encouraged to attend. Several mothers frequently come prepared to do some sewing. Permanent seating arrangement under the trees is recommended for these folks.

Although drinking water is lacking, we have as far as possible, discouraged the rather unsanitary "bucket and glass."

An undesirable element has invaded our grounds in the form of rowdiness and unsportsmanship conduct. While the grounds are open to all, yet after due warning such persons must be excluded, if decent children are to attend.

While have not enjoyed ideal housing quarters, Miss Evers and Karl F. Oerlein look forward to the completion of the new grounds.

LANTWYN LANERS

CONTINUED FROM THE FIRST PAGE

The chain across the lane at Meeting House road will be put in position this week and also the "No Thoroughfare" signs will be placed. The new lanterns will be installed in the near future.

The Association is planning a dance to be held some time during September in the Sample House, and every one is looking forward to this event. Mr. Walter Nash has threatened to give a house-warming.

BORO VOLUNTEERS

Bow to Hard Hitting Rivals From
Hilly Gladwyne.

The Gladwyne firemen gave the Narberth volunteers their first real trimming of the season this week. The score was 9 to 1.

Gladwyne played like a team that had been working together for some time. Scull, their defensive star, made a number of big league stops.

Manager Taylor Henry was much displeased at the team's failure to hit. His men will get a chance to redeem themselves in another game with Gladwyne real soon.

Low Jenkins wrenched his leg going into second base in the first inning and had to leave the fray. Next week the firemen will play a colored team from Bryn Mawr.

F. A. GRAY GOES TO ALL SAINTS

Lay Reader at St. Andrew's to Replace
Mr. Birkhead, Resigned.

Mr. Francis A. Gray, lay reader in charge of the St. Andrew's Mission in West Manayunk, will leave his chapel in the fall in order to become assistant to the Rev. Gibson Bell, rector at All Saints Church in Wynnewood. He will take the place of Mr. Birkhead, assistant at All Saints, who has resigned.

Mr. Gray was in China working under Bishop Roots, but due to the illness of his wife was forced to return home. Last year he was placed in charge of St. Andrew's by Rev. Benjamin N. Bird, rector of St. Asaph's, Bala. Mr. Gray is a student at the Philadelphia Divinity School.

The FIRESIDE

Mr. and Mrs. Wm. B. Wise are visiting in Altoona.

Mrs. S. P. White has returned from a vacation at Stone Harbor, N. J.

Mr. and Mrs. Stewart Anderson and Miss Dorothy Anderson are at Ocean City for two weeks.

Miss Rose Weintraub has returned from a visit at Tannersville, N. Y.

Mr. and Mrs. Horace Wana-maker are at Ocean City.

Mr. and Mrs. Joseph Lamorelle and daughter Jean are spending two weeks at Eaglesmere.

Misses Anne and Martha Staley, of Pittsburgh, are guests of Mrs. M. Louis Johnson.

A son, Walker S. Cornman, Jr., was born August 8 at the Women's Hospital, West Philadelphia, to Mr. and Mrs. Walker S. Cornman, of Avon road.

Mrs. Walter S. Leut and daughter Jeanette are vacationing at South Harpswell, Maine.

Mr. and Mrs. Charles L. Viguers, Sr., and family, of 114 Woodside avenue, Narberth, Pa., are occupying their new cottage at Ocean City, N. J., for the summer. The cottage was purchased recently by Mr. Viguers.

Mrs. T. E. Laughlin and son Thomas have returned from Rhode Island, where they spent the month of July and are now at Barnegat City, N. J.

Mr. and Mrs. Albert S. Longbottom, of Elmwood avenue, arrived home Thursday from Havana. They had been visiting in Cuba and the West Indies.

Norval Fitz Randolph, of Carlsbad, New Mexico, has been visiting his sister, Mrs. H. M. Chalfant, of Chestnut avenue.

Karl Krieg and Miss Emma Bertha Kurtz, of Narberth, obtained a marriage license in Norristown last Friday.

CLASSIFIED ADVERTISEMENTS

Minimum, 30 cents. Price, 2 cents a word. Three insertions for the price of two. Classified advertisements will be received by telephone from subscribers of the telephone company.

LOST—Child's green sweater on Haverford ave. Return to Our Town office.

WANTED—Room and board for teachers. Address by mail P. O. Box 973, Narberth, Pa.

Snake Had Nothing on "Jim."

A three-foot king snake recently became entangled with the interior of a high-powered electric transformer on the main line of a power company.

For more than a minute 18,000 volts of electricity coursed through the reptile's body, without so much as taking the curl out of his tail, according to reports received by the Pennsylvania Public Service Information Committee. Employees, armed with clubs, were called upon to kill the snake.

This reminds us that about two years ago "Jim" Feeley, engineer at the plant of the Counties Gas and Electric Company, received a shock of 13,000 volts, and is hale and hearty as ever.

LIBRARY GIVES THANKS

Is Grateful for Furniture, Books and Words of Approval.

Patrons of the Library have been very generous this summer with their expressions of approval of the Library in its new quarters. The larger room giving greater light and greater facility for the display of books has an air of permanency that is very satisfying. Efforts are being made constantly to improve the appearance of the room and to keep it in better order. The credit for clean floors and dusted shelves is due Mrs. Bertha Davis, who because of her interest in the work accepts in payment for her services only a very nominal sum.

A mahogany bookcase and cabinet, the gift of Miss Zentmayer, of Windsor avenue, came just in time to relieve the congestion on the history shelves, and books have come from many sources to give delight to old and new readers. The Library regrets that it is unable to acknowledge at this time all the gifts that have come in, due frequently to the fact that a group of books will be found on the table with no name attached. However, any one who has contributed books or furniture of any kind may be sure that the Library is grateful, for it is upon such good will that the Library depends for its success.

Following is a partial list of the donors of books this month: Bureau of Publications, Harrisburg; Mrs. E. Heinz, Mrs. C. T. Faries, Mrs. C. I. Ferris, Mrs. O'Keefe, Mrs. Griffith, Miss Mabel Kirkpatrick, Virginia Eyre, Miss Bird Roberts, Miss Beth Houston, Donald Laird and Mrs. Joseph Hongler.

Ambrose Nevin Diehl has sold to Samuel Edelman the stone residence and garage on lot 36x90, situated 911 North Sixty-fourth street, Overbrook. The property was held for \$18,500.

Judge—"Have you anything to offer the Court before sentence is passed on you?"

Prisoner—"No, your Honor; my lawyer took my last dollar."

WILL HASTEN WIDENING OF LINCOLN HIGHWAY

Workmen Busy Near Bryn Mawr and Wayne—Detours Up.

The Lincoln Highway, otherwise known as Lancaster avenue, from City Line to Devon, is undergoing repairs and widening.

From a point midway between Bryn Mawr and Wayne to Devon the heavily traveled pike is cut up by detour signs. Steam shovels, trucks, telephone linemen and their rigging outfits fill the way.

Twenty feet of the old asphalt pavement is to be left in the center, but on each side of the roadway 10 feet of concrete is to be laid. This will widen Lancaster avenue to 40 feet between City Line and Devon.

"There is too much traffic over the road between Philadelphia and Main Line towns for a roadbed only 20 feet wide," said S. C. Funk, in charge of construction, State Highway Department. "The places to be widened in addition to that from Philadelphia to Wayne, are a stretch east of Devon to Wayne, and three and one-half miles just east of Downingtown."

"Contracts for the piece from City Line westward and that beyond Wayne are let. Work is under way. The first named contract went for \$411,000 and the other for \$145,000."

In addition to the road improvement, two underpasses beneath the Pennsylvania Railroad tracks, at Devon and beyond are to be changed, eliminating the "S" curves now existing. The road will be run under the tracks but in such a way that the drive will be straight ahead.

B. C. Stackpole is in charge of the work. He has a branch highway department office at Sixty-ninth and Market streets.

Meantime a large amount of pavement already has been torn up between the detour signs along the pike. At Wayne, working east from Pembroke avenue, construction gangs have torn out the pavement to a depth of two feet or more. Water pipes and sewers are being relaid. The Counties Gas and Electric Co. trucks are moving telephone poles next to the sidewalks and fences. This is necessary to make way for the new paving.

Considerable brush and trees must be cut down in some of the pretty stretches, particularly beyond Villanova. This work, too, is under way.

First indication of the changes being wrought on the route to Pittsburgh and points west comes where the Sprout Highway intersects in West Bryn Mawr. The detour is on the south side of the highway, going over the Sprout road part of the distance. Excellent roadways have been selected for the detours, and little delay is caused to traffic.

"The changes will be welcomed by motorists who use the highway. At present the 'washboard' condition of the paving in some places is enough to discourage the most cautious driver. Add to this fact that the Lincoln Highway has become a truck drivers' 'Apian Way,' making progress for other machines almost impossible, and what the addition of 20 feet of hard surface will do can be appreciated," said Mr. Funk.

LEGION CONVENTION

CONTINUED FROM THE FIRST PAGE

Miller. The members chose Mr. Miller to be the floor leader of the Ninth district at the Erie convention to be held next week.

The cup to be awarded by the State convention for the district having the largest increase in membership will be given to the Bucks-Montgomery district.

It was learned the John Winthrop Post of Bryn Mawr had exceeded its quota for the Orphans' Endowment Fund by \$150. The Ardmore Post has \$250 to raise to equal their quota, \$1000.

The boys from the Ninth district who will attend the Erie convention are determined to elect Jacob Miller eastern vice commander.

NEW LOW RECORD

Lower Merion seems intent upon setting an unprecedented high record for good health. For the last month sickness and contagious diseases in the township have been at an unusually low ebb, but this week all former records were broken.

But two new cases of contagious diseases are reported and four of the five health districts are entirely free of new cases of any kind!

NARBERTH WINS AND
LOSES IN NIGHT GAMES

CONTINUED FROM THE FIRST PAGE

without an error. Keyes was not satisfied with playing short but tried to take one away from Yowell in left, but missed. In the seventh he started out for center and took one away from Vernon.

The box scores:

NARBERTH		MAIN LINE TIGERS	
V. Fleck, cf.	2	H. White, rf.	1
Hardt, cf.	0	Long, lf.	0
G. Fleck, c.	0	Link, 2b.	0
Powell, rf.	2	Keyes, ss.	0
Humphries, 3b.	1	Tuck, 3b.	0
Yowell, lf.	1	Banks, 1b.	0
Davis, 1b.	1	White, c.	0
Gillman, 2b.	0	Brown, ss.	0
Keyes, ss.	1	Milton, p.	0
Masters, p.	0	Totals	11
	5		6

Hit by pitched ball—Keyes and H. White. Stolen bases—Powell, Humphries, Davis, Keyes, 2. Base on balls—Off Master, 3; off Milton, 3. Struck out—By Master, 4; by Milton, 8. Umpire—Eckels.

Vernon Fleck, Narberth's spit ball pitcher, won another game when he trimmed the Victrix C. C. 8-6 on Wednesday night. It was any club's game until the last inning.

Vernon held the Vix to seven hits the first four innings. Twelve batters faced him and only one hit was made.

The fifth was a little longer, six men stepped to the plate. The seventh looked bad for Vernie, three singles and a home run for a total of four runs put the visitors ahead.

Bill Crowell's gang, however, rushed three runs across in their half. This gave them a two-run final lead.

The Narbites hit Burke for 14 safe ones, all singles except Townsend's three-bagger in the sixth. In addition to this Hon. Charles also hit two singles.

Davis hit for Masters and came through with a single and drove in Townsend.

Dickie's only hit of the game came at the right time in the seventh and drove in Yowell and Vernon. His hit won the game.

Saturday, August 15, Paoli will be at Narberth; Wednesday, August 19, Philco will be at Narberth, and Friday, August 21, the famous Indiana Professionals will be the attraction. This is one of the best clubs in Philadelphia and should draw a record crowd.

Some time ago fans were promised better teams if they came across with the money to pay for these. Newton Coal Co.'s team will be seen in Narberth again in a few weeks.

Narberth trimmed Ashland in a Main Line Twilight League game last Thursday, 10 to 3.

Townsend, the Princeton ace, started the game for Bill Crowell's crew just to get warmed up. After two innings Fleck took the mound. In the fourth inning he struck out the first three men who faced him. In the fifth he struck out two, but the Ashlanders managed to sneak in two hits on Vernon. They did no damage, however.

Davis had a perfect night with three singles and a walk out of four times up. Townsend also had a perfect average with two singles out of two times at bat. G. Fleck got two doubles out of three times at bat.

Arnold, Hunsworth and Haefner were used by Ashland in their effort to stop the hard hitting Narberth crew. The borough outfit collected 12 safe ones off them.

The box scores:

NARBERTH		ASHLAND	
Hardt, cf.	2	M. Paul, lf.	0
G. Fleck, lf.	2	Fair, c.	0

Townsend, p.	1	Hart, p.	0
V. Fleck, p.	0	Totals	0
	10		3

3 Played 1b. and rf.

Narberth 2 2 2 0 0 4-10
Ashland 3 0 0 0 0 0-3

Two-base hits—G. Fleck, 2; Powell. Hit by pitched ball—G. Fleck. Base on balls—Off Townsend, 3 in 2 innings; off Hunsworth, 2 in 2 innings; off Haefner, 4 in two innings. Struck out—By Townsend, 3; by V. Fleck, 5 in 3 innings; off Hunsworth, 1; off Haefner, 1. Umpire Eckels.

Crowell's crew bowed to Newton Coal Co., 3-2, last Friday in the best game seen at Narberth this year.

Masters, the West Philadelphia High School boy, was on the mound for Bill Crowell. He pitched a good game, but the best our boys could do was get five singles off Lee for two runs.

Swinton was the big man for the dark boys with three singles and six outs to his credit. H. Humphries made a fine stop in the fourth inning and caught Lee at third.

Narberth started fine. V. Fleck walked, G. Fleck hit safe, but was caught off first, Dickie hit safely and Jeffries rapped one, V. Fleck and Dickie scored. H. Humphries hit, but Jeff was run down between second and third. Then Hump. got caught off first.

HOW THEY PLAY

Cynwyd at Ashland
Paoli at Narberth
Ardmore at Berwyn

This is the schedule for the Main Line League baseball games for Saturday.

The Ardmore-Berwyn clash promises to be interesting. Ardmore upset all the dope and defeated Berwyn, the first half champs, in their first set-to in the second half. Another defeat will put Berwyn out of running for the second half championship.

ARDMORE POUNDS BABB FOR
NINETEEN SAFETIES

Scuttles Cynwyd 11-6—Narberth and Berwyn Win.

Ardmore beat Bala-Cynwyd, Narberth licked Ashland and Berwyn vanquished Paoli in the Main Line League baseball games over the week-end.

Manager Joe Cullinan had to do some jockeying of players before he could hit on the right combination for his Knights of Columbus team to defeat Bala-Cynwyd 11 to 6.

Cynwyd took to the offerings of Vockle right off the bat and scored five runs in the first two innings before Ardmore could get started.

Murray went into the box in the end of the second and quieted the storm, holding the visitors to one run the rest of the game. Billy Kane and Farnum led in the Knights' attack with four hits apiece, while the fielding of Bateman was the feature for Bala-Cynwyd.

Narberth, second-half pace setters in the Main Line League race, trimmed Ashland 11 to 1. Townsend, Narberth southpaw, was in excellent shape, setting the visitors down with two lone hits, both singles.

Narberth did all its scoring in the early innings by pounding hard the offerings of McAndrews.

Features were the hitting of Harvey Humphries and Davis, with three hits apiece and the fielding of Gilfillan and Lawler.

Berwyn clouted Jarman hard in the first and second innings of the game with Paoli, running up a big lead and winning out, 9 to 5.

Paist pitched a nice game for Berwyn, being content to rest on a big advantage given him by his teammates. Paoli played a poor fielding game, six errors helping in the Berwyn scoring.

Hayman, with two triples, and DeShula, with three hits, one of them for three bases, led with the stick, while the fielding of N. Dorsaneo and the all-around playing of Verno featured for Paoli.

THE BOX SCORES:		ARDMORE
